Your auditor is unable to reconcile the town's figures of the state maintenance account with the state's. The town's account of money expended is properly vouched and has been O. K. by the state department. Your auditor has written the highway department in this matter, also in regard to the joint fund, but has been unable to reconcile the accounts of town and state in either case. In the case of the joint fund, the money expended is properly vouched and the amount agrees with selectmen's orders drawn.
